1. General Donations

Voluntary Basis: All donations are made on a voluntary basis. Donors acknowledge that they are supporting Against Cancer and might not receive goods or services in return, unless they win an auction item or receive a giveaway.

Payment Flow: All donations and auction payments are processed through the bank accounts of **Full Grip Motorsport**.

Fund Allocation: 100% of the net proceeds (after third-party transaction fees, if applicable) will be transferred directly from Full Grip Motorsport to the Against Cancer charity after the event concludes.

Non-Refundable: Once a donation is processed, it is final and non-refundable.

2. Auction Bidding & Eligibility

Binding Bids: Every bid placed is a binding commitment. The highest bidder at the closing time of the auction is legally obligated to complete the transaction.

Age Requirement: Participants must be 18 years or older. If under 18, permission from a legal guardian is required.

Winning Notification: Winners will be contacted via the contact information provided immediately after the auction closes.

3. Item Condition & Exchange Policy

Brand New Condition: All auction items are provided in brand new condition (unused and in original packaging) unless explicitly stated otherwise.

No Cash Exchange: Auction items are not exchangeable for cash, store credit, or alternative products under any circumstances.

Final Sale: Due to the charitable nature of this event, all sales are final. There is no right of withdrawal or return policy once an item has been awarded.

4. Shipping & Logistics (Sponsored)

Free Shipping: We are proud to announce that shipping costs are fully sponsored by 2garden.nl.

Delivery: Winners will not be charged for standard shipping. Please ensure your delivery address is provided accurately upon winning.

Import Duties: While shipping is covered, any local import duties or customs taxes (for international winners outside the EU) remain the responsibility of the recipient.

5. Payment & Default

Official Channel: Winners must complete their payment to **Full Grip Motorsport** via the official provided channel within **24 hours**.

Non-Payment: If a winner fails to pay within the deadline, the organizers reserve the right to offer the item to the second-highest bidder or re-auction the item.

6. Liability Disclaimer

Warranty: For hardware or physical goods, any technical support or warranty claims must be handled directly with the manufacturer or the original donor.
